

AHMAD KHALLAD

Lead UX/UI Designer - UAE

With over 10 years of experience, I craft user-centered digital products that blend strategy, creativity, and impact across banking, tourism, and healthcare. I turn complex challenges into intuitive, high-performing experiences that delight users and drive measurable business growth.

Work Experience

10 YEARS

Lead UX UI @ Sharjah Islamic Bank -UAE

DEC 2024 - PRESENT

- Led UX/UI design & development teams for digital banking products.
- Built & launched a kids' banking app from research to high-fidelity design.
- Improved fintech experience, boosting conversion, engagement, satisfaction, & app ratings through user testing, research and benchmark.

Senior UX UI @ Deloitte - Jordan

DEC 2021 - DEC 2024

- Led end-to-end UX/UI design & built design systems from scratch.
- Conducted user research to create intuitive, high-impact interfaces.
- Partnered with cross-functional teams to improve outcomes & conversions.

UX UI Designer @ Nextwo - Jordan

MAR 2019 - DEC 2021

- Designed & delivered websites, mobile apps, & digital products for Saudi Customs (Fasah).
- Created storyboards, flows, & sitemaps to illustrate design concepts & requirements.
- Collaborated with product managers & developers to refine & implement user-centric solutions.

Web Designer @ Ertekaz - Saudi Arabia

JAN 2016 - FEB 2019

- Develop graphics for product illustrations, logos, & websites.
- Design & build whole projects for both governmental & private sectors.
- Collaborate with developers and product owners to set the goals & needs.
